HAMKO Industries Ltd. (HIL)

# HAMKO Industries Ltd.

Welcome to **HAMKO Industries Ltd**, a family company of HAMKO Group, Bangladesh. HAMKO Group is a leading producer of Automotive & Industrial Batteries in Bangladesh. The group has commercial business operations of Battery Components & Chemicals, Metal Refinery, Tires, IPS/UPS, Plastic Houseware, Furniture, Stainless Steel & Non-Stick Aluminium Cookware, Leather Footwear & Leather Processing Tannery Industry.

After 03 decade of Business HAMKO Group expand their production excelling the expertise in injection molding in producing world class housewares and furniture items at Fakirhat, Bagerhat, Bangladesh.

Colorful and creative designs coupled with quality, has made HAMKO plastic products very popular to its customers in a short span of time. HIL is the first in Bangladesh to introduce big size plastic furniture like chest of drawer, cabinets, dining tables etc.

Success in plastic products gave HIL confidence to venture into cookware business.

HIL produces a variety of stainless steel, aluminum and non-sticky cookware products for enjoyable cooking experience. Because of its variety, unique design and quality, HIL cookware has gained a strong foothold in the market in a short span of time. HIL manufactures highly durable and world class cookware products including fry pans, sauce pans, tawas, pressure cooker, cooking pots and cookware sets. All products are available in both high performance Non-stick coated Aluminum and in Stainless Steel. HIL cookware maintains highest quality standard to ensure safe cooking living by the motto **"Healthy way to cook"**.

Apart from production facility, HIL has a strong R&D team and material sourcing office in China. HIL has expanded business to China and Middle East, Africa & India after serving local market. HIL aims to bring in new and creative products in the market and become a household name.

We would like to thank you for your time to know about us & we hope you will visit Bangladesh for exploring the growing development in the House Wares Industry.

**INNOVATIVE** design  
for **your lifestyle...**
